

PRIVATE EVENING TOUR OF GUILDHALL ART GALLERY & ROMAN AMPHITHEATRE

With City Guide [David Harry](#)

Tuesday 28th March 2023 6.00 pm Tickets: £20 per person Places Limited

Join us for a Private Evening Tour of Guildhall Art Gallery & Roman Amphitheatre with City Guide [David Harry](#), followed by a drink at The Old Doctor Butler's Head one of the City's most historic pubs.

Established in 1886 as 'a Collection of Art Treasures worthy of the capital city', the Gallery's original building was destroyed during a severe air raid in 1941.

In 1988, when the Gallery was being rebuilt on its original site, archaeologists from the Museum of London discovered the remains of London's Roman Amphitheatre and the new building, which opened in 1999, was designed to incorporate the underground Roman ruins.

If you have walked through Guildhall Yard and never stepped inside the Art Gallery, here is your opportunity!
